## **Petty Cash Request Form**

Accountability for a petty cash fund should be assigned to one employee, designated as the fund custodian. The fund custodian is responsible for maintaining the fund in a safe manner, distributing cash to others upon request, obtaining supporting documents for disbursements made, and maintaining petty cash receipts in numerical order. The fund custodian will be reimbursed via the ePayment system for amounts paid out of the petty cash fund. A check payable to the custodian is issued to bring the fund back to its original amount.
